On July 22, 2005, the Director of the Department of Water Resources ("Director" or "Department") issued a *Scheduling Order*, in which it was stated that, upon written request, Department employees would be made available for deposition.

On August 23, 2005, the Director received a filing entitled *IGWA's, Pocatello's and State Agency Ground Water Users' Joint Written Request to Depose Idaho Department of Water Resources Employees* ("Joint Request"). The Joint Request sought that the Department make available a number of its employees and contractors¹ for deposition, beginning the week of August 29, 2005, or as soon thereafter as practicable.

On August 24, 2005, the Director received a filing entitled *Surface Water Coalition's Objection to Proposed Deposition Schedule of IDWR Employees Submitted by IGWA/Pocatello/State Agency Ground Water Users* ("Objection"). Rather than the week of August 29, 2005, the Objection stated that a better time for deposition of Department employees and contractors would be the week of October 10, 2005. The Objection further reserved the Surface Water Coalition's right to submit its own requests for deposition of Department employees and contractors, including those identified in the Joint Request.

ORDER

Based upon consideration of the foregoing, IT IS HEREBY ORDERED as follows:

The following Department employees and contractors will be made available for deposition by all of the parties in the above captioned matter, subject to the following terms and conditions:
